The Bank has received notice in writing under the provisions of Section 160 of the Act, from a Member, proposing the candidature of Mr. V. Vaidyanathan as a Director of the Bank.

Mr. V. Vaidyanathan started his career with Citibank India in 1990 and worked there till 2000, in the Retail Banking division. He joined ICICI Limited in early 2000 when it was

yet a Domestic Financial Institution ('DFI') to set up the retail lending businesses to diversify the company away from infrastructure financing. The retail businesses he built in ICICI Limited helped the transition of ICICI from a DFI to a Universal Bank. Based on his performance, he was appointed the Executive Director on the Board of ICICI Bank in 2006 at 38, and later became the Managing Director on the Board of ICICI Prudential Life Insurance Company in 2009 at 41. He was also the Chairman of ICICI Home Finance Company Limited (2006), and served on the Board of CIBIL- India's first Credit Bureau (2005), and SMERA - SIDBI's Credit Rating Agency (2005).

As part of his entrepreneurial journey, he left ICICI Group in 2010, acquired a stake in a small loss-making start-up NBFC, built unique proof of concept for financing models for customers at the bottom of the pyramid, and executed a Leveraged Management Buyout (LBO) of the company and thus founded Capital First Limited. He secured an equity backing of ₹ 810 crores in 2012 from PE Warburg Pincus for this purpose. Between November and December 2017, Mr. V. Vaidyanathan along with Dr. Rajiv B. Lall played a key role in conceptualising the Merger between IDFC Bank and erstwhile Capital First Group. He worked closely with various constituencies including SEBI, NSE, BSE, CCI, RBI, NHB, NCLT, shareholders and creditors to secure the necessary approvals and successfully completed the Merger, which is one of his most significant contribution during the year. The Merger was first announced on January 13, 2018 and was formally consummated on December 18, 2018.

Mr. V. Vaidyanathan was closely involved in assessing the competencies, talent and capabilities of people across both the organisations, to see the best fit for the new organisation. The process of completion of Merger included setting up of working committees for integration for Operations, Technology, Credit, Policy, Underwriting, Internal Audit, Finance, Business, Human Resources and so on. He chaired the Integration Committee on a regular basis and provided direction for the post-merger integration. After being appointed the MD & CEO, he successfully integrated the two teams into a single unit, re-defined the organization structure, integrated databases into a single unified database for customer identification as well as deduplication, integrated the

service centers, Human Resources systems etc., and customer experience continued smoothly through the integration period. The Merger is a milestone in the history of the two institutions and marks the beginning of a new journey. It enables both institutions to expand capabilities and reach, to better serve our esteemed customers.

In the opinion of the Board, Mr. V. Vaidyanathan's wide experience, tremendous success in a foreign bank (10 years), in a private sector bank (10 years), and as a successful entrepreneur in financial services (8 years) would be of immense benefit in building the institution going forward.

Item No. 14 & 15

Increase in ESOP pool from 6% to 8% of the issued and paid up share capital of the Bank, from time to time and modification of exercise period and consequent modifications to 'IDFC FIRST BANK ESOS - 2015' including grant of Options to the Employee of the Bank and / or its Subsidiary Company(ies)

Employee Stock Options ('ESOPs' or 'Options') act as a strong tool in fostering employee morale and attracting and retaining talented employees, since employees who participate in ESOPs are likely to have a greater sense of ownership.

The Bank is practically at its early stage in evolution and hence a stable and high performing management team is critical for build-up of the Bank over the next few years. Since the Bank has been founded by the demerger of an infrastructure financing company, the Bank has a large wholesale book with a relatively low CASA% (~11%) and hence build-up of its retail liability and asset franchise including new branches, products, technology, and the relevant support systems are critical for the growth ambitions of the Bank. Employees will need to expand the network, conceptualise business lines, grow scale, introduce innovative products, and build business models for top-of-the-line customer experiences. Meanwhile, the business environment is extremely competitive for all businesses.

The Bank has set ambitious five year goals for raising deposits, increasing the loan book, increasing scale, fee income, increasing margins, increasing profitability, and for delighting customers. Considering these plans, it is imperative for the Bank to attract talent, motivate them, get their best contribution towards the growth of the Bank.

ESOPs are an integral part of compensation in the banking industry in India, especially amongst the Indian private sector Banks. The financial services industry especially the private sector, has done extremely well over the last many years and ESOPs have created value for them, and hence attracting talent from these organisations can be a difficult task. In fact many of these organisations have built their franchise over the last two decades and have already passed the investment phase thereby posting relatively strong profit metrics, as a result their stocks have compounded over this period causing significant entry barriers in being able to attract their employees to our organization. IDFC FIRST Bank is relatively at its early stage in the investment cycle and therefore, has relatively low operating profits.

The Bank offers challenging roles in the organisation and provides a facilitative work environment for career growth. In addition to the above, the Bank needs to provide our employees strong wealth creating opportunities to give them a feeling of ownership as well as to match such opportunities in the marketplace. The Bank, therefore proposes an ESOP plan

for being able to attract such talent from the marketplace who can build the organisation for the future. The Bank believes the ESOP plan mentioned hereby is absolutely essential to attract high quality people and to motivate them by giving them a stake in the future. The Bank believes the above proposal will create substantial value for our employees and, at the same time, create substantial value for shareholders in the long run.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of IDFC FIRST Bank at its meeting held on May 10, 2019 approved increase in existing ESOP pool, that can be granted to 'Employee' of the Bank and / or its Subsidiary Company(ies) as defined under IDFC FIRST Bank ESOS – 2015, from current 6% to 8% of the issued and paid up share capital of the Bank, from time to time.

It is further proposed to make amendment to the Exercise Period in the Scheme such that the Exercise period shall be up to 3 years from the date of Vesting of Options or such other period as may be decided by the NRC. The Exercise Period for all the existing grants would remain unchanged.

Apart from the proposed increase in ESOP pool from 6% to 8% of the issued and paid up share capital of the Bank, from time to time and modification of exercise period, it is pertinent to note that all other terms of the IDFC FIRST Bank ESOS – 2015 shall remain same.

A copy of the draft IDFC FIRST Bank ESOS - 2015 incorporating the proposed changes is available for inspection by Members at the Registered Office of the Bank.

None of the Directors and Key Managerial Personnel of the Bank and / or their Relatives are, in any way, financial or otherwise, concerned or interested in the resolution(s) except to the extent of equity shares and stock options of the Bank held by them and/or to the extent of stock options that may be offered to them under IDFC FIRST Bank ESOS - 2015, if any.

The Board of Directors recommend passing of the Special Resolution as set out in Item No. 14 & 15 of this Notice.

Item No. 16

Offer and Issue of Debt Securities on Private Placement basis

Section 42 of the Companies Act, 2013 ('Act'), read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, lays down the provisions subject to which a company is allowed to issue securities on Private Placement ('PP') basis. Every proposed offer of Securities or invitation to subscribe to Securities on PP basis requires prior approval of Members of the company by way of a Special Resolution. However, in case of offer / issuance of Non-Convertible Debentures ('NCDs'), passing of Special Resolution by the Members for all such offers / invitation for such debentures, once in a year is sufficient.

Accordingly, the Bank had obtained the approval of the Members at the 1st Annual General Meeting ('AGM') held on September 29, 2015 for borrowing / raising funds, in one or more tranches, by issue of debt securities pursuant to the relevant provisions of the applicable circulars and guidelines issued by the Reserve Bank of India, up to ₹ 1,50,000 crore (Rupees One Lakh Fifty Thousand Crore only). Pursuant to the said approval, the Bank has raised an amount of ₹ 480 crore (Rupees Four Hundred and Eighty Crore only) by way of issue of NCDs till the date of this notice of AGM.

In order to facilitate the raising of funds by way of issue of debt securities, it would be necessary to have fresh approval of Members in place.

Also, during FY 2019-20, the Bank may need to augment its Capital Adequacy Ratio by raising Additional Tier I and Tier II capital.

Accordingly, the Board of Directors, after assessing its fund requirements, has proposed to obtain the consent of the Members of the Bank for borrowing / raising funds, from time to time, in Indian currency / Foreign currency, by issue of debt securities including but not limited to Non-Convertible Debentures, Medium Term Notes (MTN), Perpetual Debt Instruments (part of Additional Tier I Capital), Tier II Capital Bonds, Long Term Bonds (financing of infrastructure and affordable housing) and such other securities as may be permitted by RBI from time to time, on private placement basis, up to an amount not exceeding ₹ 5,000 crore (Rupees Five Thousand Crore only).

The said limit of ₹ 5,000 crore (Rupees Five Thousand Crore only) shall be within the overall borrowing limit of ₹ 1,50,000 crore (Rupees One Lakh Fifty Thousand Crore only) approved under Section 180(1)(c) of the Act, by the Members at the 1st AGM held on September 29, 2015.

The proposed resolution under Section 42 of the Act, shall be valid for a period of one (1) year from the date of passing of this resolution.

The pricing of the debt securities referred above depends on various factors which may include prevailing risk free rates, competitor rates of similar rating and tenor in the domestic or overseas markets, investor appetite for such instruments and prevailing investor regulations. Further, debt securities may be issued either at par/ premium/ discount to the face value depending upon the prevailing market conditions, as permitted by the relevant applicable regulations.

None of the Directors and Key Managerial Personnel of the Bank and / or their Relatives are, in any way, financial or otherwise, concerned or interested in this resolution.

The Board of Directors recommend passing of the Special Resolution as set out in Item No. 16 of this Notice.
