Dear Sir,

Credit rating for various long-term and short-term debt instruments

Please refer to our rating letter dated October 01, 2019 and your representation letter dated October 07, 2019 on the above subject.

2. Our Rating Committee has carefully reconsidered the representation made by you regarding the revision in rating assigned to various long-term debt instruments and short-term debt instruments of your company. It has, however, not been found possible to upgrade the rating for various debt instruments and the rating stands at 'CARE AA+; Negative (Double A Plus; Outlook: Negative)' for long term debt instruments and at 'CARE A1+ (Single A Plus)' for short term debt instruments. In this connection, we assure you that the facts mentioned in your letter under reference were considered while deciding the rating.

If you need any clarification, you are welcome to approach us in this regard.

Thanking you,

Yours faithfully
