

## IMPORTANT REDEMPTION/MATURITY NOTIFICATION TO BONDHOLDERS

Dear Investor / Bondholder,

As you are aware, the Tranche 1 (Series 1 - 4) of IDFC Long Term Infrastructure Bonds are due for maturity on November 12, 2020. As informed in our communication dated August 31, 2020, the maturity proceeds will be credited to your bank account as per our records.

As informed by us in our communication dated August 31, 2020, we once again advise you not to trade or sell your bonds ahead of the maturity date to any intermediary who may approach you in the secondary market. As the maturity date is so close, it is unlikely that the trade will be in your favour.

It has recently come to the attention of the Bank that several bond holders have received unsolicited, unauthorized, spam emails in relation to exit from IDFC Bonds. As a responsible organization, we wish to inform all our investors/bond holders that IDFC FIRST Bank has not authorized any such agents or representatives, and anyone dealing with such agents/individuals would be doing so at his/her own risk, and IDFC FIRST Bank will not be responsible for any loss or damage suffered by such bondholders, directly or indirectly.

This note is being addressed in abundant caution in the best interest of our bondholders.

Thanking you,

Yours faithfully,

IDFC FIRST Bank
