Dear Sirs,

Sub: Proposed merger of Capital First Limited (“CFL”) with IDFC Bank Limited (“IDFC Bank” or the “Company”) (“Proposed Transaction”)

IDFC Bank Limited has requested us to issue a fairness opinion (“Opinion”) from a financial point of view of the Swap Ratio (as defined below) in relation to the Proposed Transaction.

Proposed Transaction background: IDFC Bank Limited and Capital First Limited are proposing to enter into a composite scheme of amalgamation, which envisages the following:

- Capital First Limited, Capital First Home Finance (100% subsidiary of CFL) and Capital First Securities (100% subsidiary of CFL) (“together Capital First Group”) will amalgamate with IDFC Bank Limited

Our scope is restricted to providing an Opinion on the Swap Ratio for the merger of Capital First Group with IDFC Bank.

In arriving at our Opinion, we have reviewed historical financial and listed stock price data. We have also reviewed certain publicly available information, and have taken into account such other matters as we deemed necessary including our assessment of general economic, market and monetary conditions. We have also reviewed the valuation report issued to IDFC Bank by S.R. Batliboi & Co. dated January 13, 2018 for the Proposed Transaction. We have also assumed that the final Swap ratio will be substantially the same in the scheme as discussed with you and reviewed by us.

We have had discussions with members of the management of IDFC Bank regarding the past and current business operations of the concerned businesses, their future prospects and operations, and have received management representation letter from IDFC Bank dated January 12, 2018 (“Management Representation Letters”).

Further, we have had discussions with S.R. Batliboi & Co., the valuation advisor, on such matters which we believed were necessary or appropriate for the purpose of issuing this Opinion.

Based on our examination and according to the information and explanation provided to us, we note that the Proposed Transaction entails Amalgamation of IDFC Bank and Capital First Group.
