HOW DOES THE PLAN WORK?

Early Income

An option that provides you income in arrears from the 1st policy month/ year after deferment period by way of cash bonuses (if declared) and guaranteed income (GI).

Increasing Income

An option that provides an increasing income in arrears starting after the Premium Payment Term and Deferment period. The income will be a mix of guaranteed income and cash bonus (if declared).

Wealth

An option that provides you a lump sum at the end of the policy term

You can choose both of these options to design the financial plan of your choice.

HOW DO YOU DESIGN YOUR PLAN?

Step 1

Choose how you want to receive the proceeds of your policy by selecting one or more options

Step 2

Choose the premium that you wish to save every year

Step 3

Choose how long you want to pay, when you want to start the benefits and for how long you want them.

Your insurance plan is now all set!

OPTIONS IN DETAIL

Early Income

- **Income Benefit:** You are eligible to receive an income in the form of Cash bonuses³ that may be declared by the Company every year. You can opt to take this cash bonus³ monthly/ yearly which gives you an income starting from the end of 1st month/ 1st year after the Deferment period of your Policy. In addition to the cash bonus³, you shall also receive a Guaranteed² Income. The income benefit is payable for the entire policy term.
 - Guaranteed² Income = Guaranteed² income factor of 4% X Benefit Sum Assured
 - Cash Bonus³ payable = Declared Cash Bonus³ rate X Benefit Sum Assured
- **Deferment period:** You will have an option to defer the start of your income by up to 5 years

FLEXIBILITIES UNDER THE PLAN

Option to Accumulate Income Benefits

You will have an option to accumulate the Income benefits in the plan. Once this option has been exercised, the Guaranteed Incomes and Cash bonuses, if declared, would be accumulated until a request is submitted to take out this accumulation. This option can be exercised any time during the Policy term. The benefits will be accumulated on yearly frequency, and you will earn an investment return on the accumulated corpus.

Anytime during the policy term, the policyholder will have the option to withdraw, in part or in full, the accumulated income benefit. The policyholder will have the flexibility to discontinue this option at any time. This option is not applicable to Wealth product option.

The accumulation will be at an investment return of prevailing 10-year G-Sec yield p.a. which will be declared by the company every year.

Goal Protection Benefit (GPB)

By opting for this benefit, you can ensure that your savings goal will remain intact even if you are not around. Thus, providing your family a financial protection net by continuing the benefit payouts to them as you have planned.

FLEXIBILITIES UNDER THE PLAN

How the plan works if you have opted for Goal Protection Benefit:

SURRENDER BENEFIT UNDER THE PLAN

- You can surrender the policy at any time during the policy term provided at least first two (2) full Policy years' regular premiums have been paid. A product option alone in a policy cannot be surrendered.
- The surrender value payable will be the higher of the guaranteed surrender value (GSV) or the special surrender value (SSV).
- GSV Factors will be applied on Total Premiums* received and the sum of all in-force or paid-up Income payouts paid (as applicable), will be reduced from this amount, to arrive at the GSV.
- For Wealth Option, additionally, GSV Factor will be applied on accrued Simple Reversionary Bonus.
- The SSV factors for all the variants are not guaranteed, and company will revise these factors from time to time, subject to the prior approval of IRDAI.
- The surrender benefit payable will be the sum of surrender values payable under each benefit opted in the policy.
- The policy will terminate on the date of surrender.

NON PAYMENT OF PREMIUM

a) If at least two (2) full years' premiums are not paid, the policy will, immediately & automatically, lapse at the expiry of the grace period, and no benefit other than the Accumulated income benefit, if any, will be payable under the policy. The Accumulated income benefit, if any, in the policy will be paid out at the end of grace period.

b) If at least two (2) full years' premiums have been paid and subsequent premiums are not paid, then, the policy will be, immediately & automatically, converted to a reduced paid-up policy at the expiry of the grace period.

(i) A reduced paid-up Policy will not be eligible for any future Cash Bonus or Simple Reversionary Bonus. However, it will be eligible for future Paid-up GI, and Investment Return, if there is any AIB under the Policy.

(ii) The paid-up Benefit Sum assured, the Paid-up sum assured and the paid-up sum assured on death, are obtained by multiplying the Benefit sum assured, the Sum Assured and the sum assured on death, respectively, by a factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the option.

Sum Assured on Death, Guaranteed Death Benefit, Sum Assured on Maturity, and GI will be replaced by the Paid-up Sum Assured, Paid-up Sum Assured on Death, Paid-up Guaranteed Death Benefit, Paid-up GI and Paid-Up Sum Assured on Maturity, respectively.

(iii) In Increasing Income, similar to GI, Paid-up GI shall also increase by 5% (on a compound basis) every policy year.

(iv) The policyholder may revive a lapsed policy/paid-up policy subject to the conditions mentioned in the revival clause.

REVIVAL OF THE PLAN

You can revive your lapsed or paid-up policy, subject to the following conditions;

- i) The application for revival is made within five (5) years from the due date of the first unpaid premium, before the Maturity Date.
- ii) The arrears of premiums together with interest, at such rate as the company may decide from time to time along with applicable taxes are paid. The current applicable revival interest is 10% p.a. compounded half-yearly.
- iii) On revival, you are entitled to receive all contractual benefits.

Note:

The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Additional Benefit under the Plan

Riders:

You can enjoy extra coverage during the policy term by choosing the optional additional rider benefits at a nominal extra cost. The riders available with all variants under Bajaj Allianz Life ACE are:

1. Bajaj Allianz Accidental Death Benefit Rider (UIN: 116B034V02)
2. Bajaj Allianz Accidental Permanent Total/Partial Disability Benefit Rider (UIN:116B036V02)
3. Bajaj Allianz Critical Illness Benefit Rider (UIN:116B035V02)
4. Bajaj Allianz Family Income Benefit Rider (UIN:116B037V02)
5. Bajaj Allianz Waiver of Premium Benefit Rider (UIN: 116B031V02)

Please refer to respective rider sales literature or visit Company website or consult your "Insurance Consultant" for more details and eligibility conditions.

Alteration of premium paying frequency

You will have an option to change the Premium payment frequency under your Policy at any Policy anniversary, subject to the availability of the frequency. The Premium payment modes available are yearly, half yearly, quarterly and monthly.

The Premium for frequencies other than annual is given by the annual Premium multiplied with the frequency factor. The factors are:

Premium frequency	Monthly	Quarterly	Half-yearly	Yearly
Frequency Factor (freq)	0.0875	0.26	0.51	1.00

Benefit Sum Assured = (modal premium/frequency factor) x Benefit Sum Assured rate

The quarterly and monthly mode will be allowed only under auto-debit process (as per the approved RBI facilities).

Option to take Maturity Benefit in Installments (in all Product Options)

- i) The policyholder will have an option to take Maturity Benefit in monthly or yearly installments over a period of 5, 10, 15 or 20 years. This option can be chosen at any time before maturity.
- ii) The interest rates applicable for arriving at these installments for the chosen period shall be equal to the yields of the respective G-Sec yield less a spread of 25 basis points for installments over a period of 5, 10, 15 and 20 years. The interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL).
E.g., For instalment period of 5 years, 5-year G-Sec yield less a spread of 25 basis points will be applicable.
- iii) The policyholder will have the option to request for a discontinuance of the installments even after the installments have commenced. The policyholder will be eligible to receive an amount equal to discounted value of the future installments as on the date of such request (which would be discounted at the same interest rate used at the time of installment calculation).

Death Benefit in Instalments (in all Product Options)

- i) At the time of intimation of death of life assured, the policyholder or nominee (as applicable) will have the option to take the death benefit in equal monthly instalments over a period of five (5) or ten (10) years (as per his/her choice) from the date of intimation of death. The amount of monthly instalments once started cannot be changed.
- ii) The first installment shall be due on the date of intimation of death.
- iii) The interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL)). It will be equal to [10-year G-Sec yield LESS 1%] rounded-down to the lower full interest rate.
- iv) The interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.
- v) The nominee/policyholder will have the option, at any time, to request for a discontinuance of the monthly installments even after the installments have commenced. The nominee/ policyholder will be eligible to receive an amount equal to the present value (PV) of the remaining installments as on the date of such request (PV would be at the same interest rate used at the time of installment calculation).

Tax Benefits under the Plan

As per applicable tax laws as amended from time to time. You are requested to consult your tax consultant and obtain independent advice for eligibility and before claiming any benefit under the policy.

Policy Loan

Provided the Policy has acquired Surrender Benefit, during the Policy term, you will have the option to take Policy loan, subject to a maximum limit of [80% of the surrender value less TB on surrender (if any) less any AIB] + 50% of TB on surrender (if any). Loan interest rate applicable for the loan will be as decided by the company from time-to-time. The current loan rate of interest is 10% p.a. compounding half-yearly.

On death, surrender or maturity, the outstanding policy loan plus interest, as on the date of death/ surrender /maturity, will be deducted from the death/ surrender /maturity benefit payable. Each survival benefit will be adjusted against the outstanding loan & interest.

The policy will be foreclosed under the following circumstances:

- i) For other than in-force and fully paid-up policies: If, at any time (during the policy term), the outstanding policy loan and interest exceeds the surrender value, then, the company will inform the policyholder for payment of interest-due and/or full/part repayment with the notice period of 30-days and, at the end of notice period, the policy will be foreclosed and any surrender value will be adjusted towards the outstanding loan plus interest.
- ii) For in-force or fully paid-up policies: The policy will not be foreclosed on the ground of outstanding loan amount including interest exceeds the surrender value.

Note:

The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Termination

- a) This risk cover of the Life Assured shall, immediately and automatically, terminate on the earliest occurrence of any of the following events:
 - i) On the date of death of the Life Assured, in case Goal protect benefit is not opted
 - ii) On the lapsation of the Policy
- b) This Policy shall immediately and automatically terminate on the earliest occurrence of any of the following events:
 - i) On Free Look Cancellation
 - ii) On payment of the last equal instalment w.r.t. the Death Benefit (if taken in instalments), unless Death Benefit in a lump-sum has been taken; provided there are no other benefits available under the Policy.

- iii) On payment of the Death Benefit in a lump-sum unless Death Benefit in instalments has been taken; provided there are no other benefits available under the Policy.
- iv) On complete surrender of the Policy and on payment of the Surrender Value.
- v) On foreclosure, if at any time, in a Policy that is paid-up, the outstanding loan plus loan interest exceeds the Surrender Value available under the Policy and no payment is made even on the expiry of the notice sent by the company.
- vi) On the expiry of the Revival Period for a lapsed Policy.
- vii) On the Maturity Date.
- viii) On refund of eligible Regular Premiums/ Surrender Value under suicide clause on suicide of the Life Assured.

Grace Period

The Grace Period is thirty (30) days for frequencies other than monthly and fifteen (15) days for monthly frequency during which the Policy is considered to be in-force with the risk cover. On the occurrence of death during the Grace Period, the Death Benefit will be payable and the due but unpaid Premium/s upto the date of death will be deducted from the death benefit payable.

Free Look Period

The policyholder has a free look period of fifteen (15) days from the date of receipt of the Policy Document and a period of thirty (30) days in case of electronic Policies and Policies obtained through distance mode, to review the terms and conditions of the Policy and where the Policyholder disagrees to any of those terms & conditions, he has the option to return the Policy to the insurer for cancellation, stating the reasons for his objection, then he shall be entitled to a refund of all the premiums (excluding applicable taxes) paid, subject only to a deduction of a proportionate risk premium for the period of cover and the expenses incurred by the insurer on medical examination of the proposer and stamp duty charges.

Suicide Exclusions

In case of death of a Life Assured (in a single or joint life policy) due to suicide within 12 months from the date of commencement of risk or the date of latest revival of the policy, whichever is later, then the nominee or beneficiary of the policyholder shall be entitled to receive, the higher of 80% of the Total Premiums* paid or the surrender value as on the date of death, provided the policy is in force.
