To,

The Chief Human Resources Officer

IDFC FIRST Bank.

Dear Adrian,

In line with our discussions, I would like to share that I have got a role in Aviation which I'm keen on pursuing.

I would like to place on record my gratitude to the Bank for giving me immense opportunities. Truly as a bank, we embody the best cultural and ethical practices, and are hiring people with excellent skills, so I am sure we will be able to fill up my role. We have built bench-strength so we should be able to easily transition my role.

I take great pride in having worked with the leadership team at IDFC FIRST and being part of the success of creating this bank.

In Mr. Vaidyanathan, I've been lucky to find an inspirational mentor to look up to and from whom I learnt a lot by observing his style of working and for creating a sense of belonging for all of us. I came to IDFC FIRST as an employee but will leave with whole lot of friends and well-wishers.

I am moving out as an employee but will remain a customer and a well-wisher of the Bank. As always, I will cheer for the success of my colleagues and the exceptional team at IDFC FIRST, without whom nothing would've been possible, and cheer for the organization. I would not have left for anything else, but for a change of industry, and that too an entity at set-up stage, this is something I liked.

Yours Sincerely

Naarayan T V
