Powered with Dual Card

Empower every journey with the advantage of two cards

Your Mastercard:

- Global acceptance in 200+ countries
- Fine-dine offers at 350+ restaurants
- 4 golf rounds + 12 lessons every year

Your RuPay:

- Scan & pay via UPI at 600+ million merchants
- Seamless online POS and UPI QR transaction domestically
- Exclusive partner offers from RuPay, all year round

Shop online or swipe offline - use either card as you prefer

Your card.

Your runway to explore.

- You'll receive two cards: one on RuPay and one on Mastercard
- Both cards need to be set up separately before use
- Shared credit limit across both cards
- Spends across both your cards will be used for IndiGo BluChips and milestone benefits calculations
- Earn IndiGo BluChips seamlessly on both networks
- One e-statement and one payment for both cards

One credit limit.

One reward program.

One seamless experience.

Milestone Benefits

Spends that earn you the freedom to fly

terms & conditions

Card membership
agreement

Share the Skies, Share the Rewards

Extend benefits with those who travel with you

- Offer an add-on card to a loved one
- Only one card can be issued per person
- Choose the network (RuPay or Mastercard) while applying
- Add-on cardholders can either have RuPay or Mastercard version, not both
- Avail up to 3 add-on cards per primary account

Why get add-on cards?

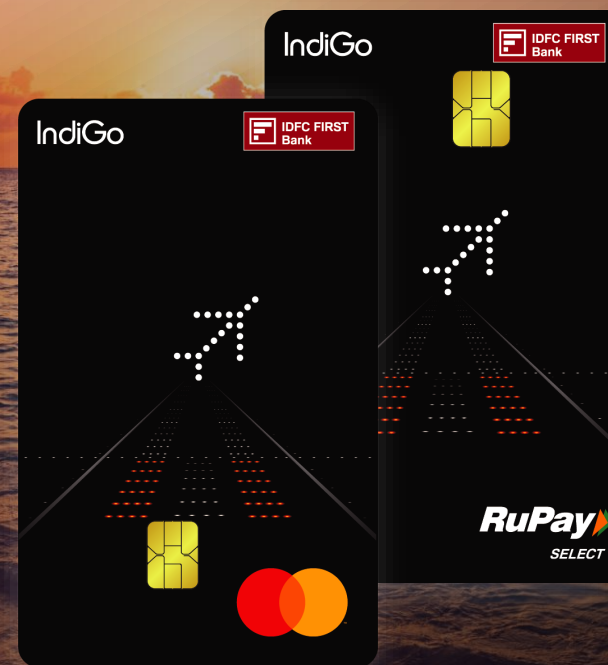

- Help reach your annual milestones faster
- Add-on spends count toward rewards and are billed to your main account
