Interim Bonus

We may pay an Interim Bonus (if declared), in case of death of the Life Insured, surrender, survival or maturity happens before the latest declared bonus rates would have come into effect.

Terminal Bonus

Terminal bonus (if declared) may be payable on earlier of death of the Life Insured or surrender or maturity.

In the event of death of the Life Insured during the Policy Term, provided that the Policy is in-force and not under Lapsed or Reduced Paid-Up mode, we will pay the following to your nominee(s)/beneficiary(ies):

- Sum Assured on Death; and,
- Accumulated Cash Bonus (if declared); and,
- Terminal Bonus (if declared)

The policy covers death under all situations (including death during declared or undeclared war, civil commotion, invasion, terrorism, or hostilities) except death due to suicide as specified in the suicide clause.

On payment of Death Benefit, the policy will terminate and no future benefits will be payable.

Death Benefit

Sum Assured on Death shall be defined as higher of the following:

- Sum Assured
- 11 times the Annualized Premium
- 105% of Total Premiums paid till the date of death

where, **Sum Assured** is a multiple (depending upon Benefit Option, Premium Payment Term, Policy Term, Annualized Premium, and Life Insured's age at inception of the policy) of the Annualized Premium. Sum Assured Multiple Factors are provided in Annexure I.

Annualized Premium is the amount of premium payable in a year chosen by the Policyholder, excluding taxes, rider premiums, underwriting extra premiums and loadings for modal premiums (if any).

Total Premiums Paid means the total of all the premiums received, excluding any underwriting extra premium, any rider premium, taxes and loadings for modal premiums (if any).

The Policyholder would be entitled for rider benefits under each of the riders (including base product).</p> <p>For further details regarding the above-mentioned riders, please refer to the respective rider brochure(s) available on our website.</p>

Other Features

Policy Loan

You may take a loan against your policy once it has acquired a Surrender Value. The minimum loan amount is ₹5,000 and the maximum is 80% of the then applicable Surrender Value less any outstanding policy loan plus all accrued but unpaid loan interest as on that date. On exercising this option, your policy shall automatically get assigned to the company to the extent of the outstanding policy loan balance.

Where the policy is in-force (premium paying) or fully paid-up and the outstanding policy loan and interest on the outstanding loan up to the date of death or survival benefit or maturity benefit or surrender at any time is equal to or exceeds the then prevailing Surrender Value, we shall send a notice, 90 days in advance, to you to repay the loan amount along with the interest.

For other than in-force and fully paid-up policies, on the date the outstanding policy loan and interest on the outstanding loan up to the date of death or survival benefit or maturity benefit or surrender exceeds the Surrender Value, ABSLI shall send a notice, 90 days in advance, to the policyholder to repay the loan amount along with the interest. In case the Policyholder fails to respond to the notice, the policy will be terminated.

Any payment of a proceed against death, survival benefit or maturity benefit provisions or as a surrender value shall be reduced by any outstanding policy loan balance at that time and the residual value shall be payable. We shall be issuing the loan re-payment schedule at the time you opt for the loan against the policy.

At the beginning of a policy year, the policy shall be assigned the latest Loan Interest Rate declared by the company. We shall declare the Loan Interest Rate applicable to all policies under this product on June 1st of every calendar year which shall be assigned to policies on their next policy anniversary and is equal to the base rate of the State bank of India plus 100 basis points (i.e. absolute 1%). The interest rate applicable as on June 1st, 2022, is 8.55% p.a. (compounded). Any change in the basis of determination of interest rate for policy loan can be done only after prior approval of IRDAI.

In all the above scenarios, 4% p.a. and 8% p.a. are only assumed investment returns and are not guaranteed. Some benefits are guaranteed and some benefits are variable with returns based on the future performance of your insurer carrying on life insurance business. If your policy offers guaranteed benefits then these will be clearly marked “guaranteed” in the illustration table on this page. If your policy offers variable benefits then the illustrations on this page will show two different rates of assumed future investment returns. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy is dependent on a number of factors including future investment performance. Premiums are exclusive of GST.

Benefits For Higher Premium Bands

For higher premium bands, an additional cash bonus (% of Annualized Premium) shall be provided as mentioned below. The Cash Bonus (if declared) payable shall have the additional amount built-in.

Annualized Premium (in ₹)	Additional Cash Bonus (% of Annualized Premium)

Tax Benefits

You may be entitled to certain applicable tax benefits on premiums paid and on benefit(s) received under your policy. Please note that all the tax benefits are subject to tax laws prevailing at the time of payment of premium or receipt of benefits by you. It is advisable to seek an independent tax advice.

Surrender / Premium Discontinuance / Policy Revival Terms

1. What happens when you surrender the policy?

You can surrender the policy any time during the Policy Term once the policy has acquired a Surrender Value. Your policy will acquire a Surrender Value after all due premiums for at least first two full policy years are paid.

The Surrender Value payable will be higher of Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV).

Where, **Guaranteed Surrender Value (GSV)** is defined as:

$$\text{Guaranteed Surrender Value Factor} \times \text{Total Premiums Paid} - \text{Cash Bonus (if declared) already paid}$$

For more details on GSV Factors, please refer to the Policy Document.

Special Surrender Value (SSV) is determined by the company from time to time basis changing economic scenario. The Company may revise the SSV factors based on the then prevailing market conditions. Any change in the methodology/formula for calculating the SSV factors shall be subject to IRDAI approval.

The Accumulated Cash Bonus (if declared) shall be paid over and above the Surrender Benefit.

2. What happens when you discontinue paying your premiums?

In case the premium is not paid by the due date, you will be given a Grace Period of thirty (30) days from the due date for payment of each premium for all premium paying modes except for the monthly mode, where a Grace Period of only fifteen (15) days will be allowed. During this Grace Period, your risk cover will continue.

In case the premium is not paid by the expiry of the Grace Period, the following provisions will apply:

A) Discontinuance of Payment of Premium before the policy has acquired Surrender Value

If you don't pay the due premium during the Grace Period, on expiry of the Grace Period, the Policy shall lapse w.e.f. the due date of unpaid premium, and all benefits under the policy, including the insurance cover, shall cease and no benefits shall be payable, however, you will have the option to revive the Policy within 5 years from the due date of the first unpaid premium.

B) Discontinuance of Payment of Premium after the policy has acquired Surrender Value

If you don't pay the due premium during the Grace Period, on expiry of the Grace Period, the policy shall become a Reduced Paid-Up (RPU) policy.

After the policy has become RPU, the benefits payable will be amended as follows:

The RPU Sum Assured shall be equal to the Sum Assured multiplied by the RPU Factor, where the RPU Factor is the ratio of:

- The number of premium installments paid to date; over
- The total number of premium installments originally payable during the Policy Term

a) Death Benefit for RPU Policies:

In the event of the death of the Life Insured during the Policy Term, the RPU Death Benefit will be as follows: The nominee (s)/ beneficiary will be paid:

- The RPU Sum Assured on Death plus
- Accumulated Cash Bonus (if declared)

Upon payment of the above RPU Death Benefit, the policy will terminate.

The “RPU Sum Assured on Death” will be the Sum Assured on Death multiplied by the RPU factor, subject to a minimum 105% of Total Premiums Paid up to the date of death.

b) Maturity Benefit for RPU Policies:

In the event the Life Insured survives to the end of the Policy Term, the following shall be payable:

- The RPU Sum Assured plus
- Accumulated Cash Bonus (if declared)

Reduced Paid-Up policies will not participate in future bonuses. Once the policy becomes RPU, all rider benefits will cease.

3. What happens when you wish to revive your policy?

You can revive your policy within a revival period of five years from the due date of the first unpaid premium, subject to the following conditions:

- Paying all outstanding premiums together with interest and/or late fees as declared by us from time to time.
- Providing evidence of Life Insured’s insurability satisfactory to us.
- Revival of the policy shall take effect only after the revival of the policy is approved by us basis the Board Approved Underwriting Policy and communicated to You in writing.

Once the policy has been revived, on the effective date of revival, all benefits will be restored to their full value. The monthly interest rate charged on unpaid premiums will be declared by ABSLI on June 1st of each calendar year and is determined as $(x+1\%)/12$ rounded to the next 0.5%, where x is the base rate of the State Bank of India. The current applicable compound interest rate, as declared on June 1st, 2022, is 1% per month (compounded).

Any change in the basis of determination of interest rate for revival can be done only after prior approval of the Authority. If a lapsed policy is not revived within five years, the policy shall be terminated, and no value is payable to you.

Termination Of Policy

This policy will terminate upon the occurrence of any of the following events:

- The date on which we receive a free-look cancellation request; or
- The date of payment of the Surrender Value; or
- The date of settlement of the Death Benefit; or
- The end of the Policy Term; or
- The date on which the Revival period ends after your policy has lapsed as per the Premium Discontinuance provision; or
- The date on which the outstanding loan amount plus all accrued but unpaid loan interest exceeds the Surrender Value in case of Reduced Paid-Up (RPU) policies

Terms And Conditions

Free Look Period

You will have the right to return your policy to us within 15 days from the date of receipt of the policy document and a period of 30 days in case of electronic policies⁽¹⁾ and the policies issued under the provisions of IRDAI Guidelines on Distance Marketing⁽²⁾ of Insurance products. In case you are not satisfied with the terms & conditions of your policy, we will refund the premium paid once we receive your written notice of cancellation (along with reasons thereof) together with the original policy document. We may reduce the amount of the refund by proportionate risk premium for the period of cover and expenses incurred by us on medical examination, if any, and stamp duty charges while issuing your policy in accordance to IRDAI (Protection of Policyholders Interest) Regulations, 2017.

- 1) In case of electronic issuance of policies, the date of receipt or date of credit of electronic policies shall be determined as below:
 - a) For New Electronic Insurance Account (EIA): Date of receipt of the "Welcome Kit" from the Insurance Repository with the credentials to log into the EIA or delivery date of the E-Mail confirming credit of the Insurance Policy by the Insurance Repository into the EIA, whichever is later.
 - b) For existing EIA: Delivery date of the E-Mail confirming credit of the Insurance Policy by the Insurance Repository into the EIA.
- 2) Distance Marketing includes every activity of solicitation (including lead generation) and sale of insurance products through voice mode, SMS, electronic mode, physical mode (like postal mail) or any other means of communication other than in person.

The free look cancellation request shall be processed and premium refunded within 15 days of receipt of the request.

Grace Period

A Grace Period of 30 (thirty) days from the premium due date (15 (fifteen) days in case of Monthly mode) for payment of each premium will be allowed. During the Grace Period, the Company will accept the premium without any penalty or late fees. The insurance coverage continues during the Grace Period, however, if the Life Insured dies during the Grace Period, the Company shall be entitled to deduct the unpaid Premiums due as on the date of death from the Benefits payable under the policy.

Suicide Exclusion

If the Life Insured dies by suicide within 12 months of the effective date of commencement of risk or the date of revival of policy, the policy shall terminate immediately. In such cases, the Company shall pay a higher Surrender Value, or Sum of (Total Premiums Paid, underwriting extra premiums paid, loadings for modal premiums paid) in case the policy has acquired a Surrender Value; or Total premiums Paid plus underwriting extra premiums paid plus loadings for modal premiums paid, in case the policy has not acquired a Surrender Value.

Assignment

Assignment shall be applicable in accordance with provisions of Section 38 of the Insurance Act 1938, as amended from time to time.

Nomination

Nomination shall be applicable in accordance with provisions of Section 39 of the Insurance Act 1938, as amended from time to time.

Fraud and Mis-statement

As per the provisions of Section 45 of the Insurance Act, 1938 as amended from time to time. For more details on Section 45 of the Insurance Act, please refer to our website <https://lifeinsurance.adityabirlacapital.com>

Prohibition of Rebates: Section 41 of the Insurance Act, 1938 as amended from time to time states:

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer. Any person making a default in complying with the provisions of this section shall be punishable with a fine which may extend to ten lakh rupees.
