HOW TO MAKE *SWYP* PAYMENTS

First
SWYP

1

HOW DOES IT WORK?

Pay in full or in EMIs with FIRST SWYP. Carrying over balances to the subsequent statement is not possible

2

LET'S UNDERSTAND TOTAL PAYABLE

A total sum to be paid for the month, it covers;

- EMI dues from previous cycles
- Previous balances including fees & charges
- Purchases spends of the current cycle

3

LET'S SIMPLIFY ELIGIBLE BALANCE

Amount which can be converted to EMI with monthly flat fee before due date. In simple words;

Total amount payable - Existing EMI, fees & charges

4

KNOW MORE ABOUT ACTIVE EMIs

All the EMI Conversions made from previous statement cycles

To Reduce your Total Payable , EMIify your eligible balances before your payment due date

It is mandatory to pay your net Total Payable every month by your payment due date

If Total Payable isn't paid by your payment due date, the card will be blocked & a late payment fee will be charged

Just convert your eligible balances into EMIs or pay in full
