**New Delhi, 1st September 2022:** For sixteen years the Delhi Half Marathon has been the pride of the nation, personifying the sporting spirit of Delhi and India. It has inspired the community to push boundaries and emerge stronger together.

The 17<sup>th</sup> edition of the world's prestigious half marathon dons a new identity, reinforced by a new title partnership with India's leading conglomerate **Vedanta Limited**. The World Athletics Elite Label Race will now be known as the **Vedanta Delhi Half Marathon**. Staged on one of the fastest courses in the world, the race will be held on Sunday, 16<sup>th</sup> October 2022.

**Vedanta**, the globally diversified natural resources company, joins hands with Indian distance running pioneers **Procam International** to stamp its presence in mass-participation sports, as title sponsor over the next five years.

With transformation for a sustainable future at the heart of its business operations, Vedanta's commitment to giving back to society has been a part of its core ethos. Vedanta's flagship social impact initiative Nand Ghar, a modernized anganwadi program, is fast transforming the lives of women and children across the country. Aimed at eradicating malnutrition from the country, Vedanta's **#RunForZeroHunger** is a mass movement to create awareness to make sure that no child goes to bed hungry.

The union of Vedanta and the Delhi Half Marathon mirrors the ability of both to be a catalyst for change and positive impact. This year, more than ever, we celebrate the different hues of Dilli -- strength, responsibility, pride, unity, passion, and joy -- empowering us to transform our lives at every moment, under all circumstances **#RangDeDilli**.

**Priya Agarwal Hebbar, Non Executive Director of Vedanta Ltd**, said, "It's a matter of great pride for us to be a partner for Vedanta Delhi Half Marathon. We strongly believe that India's rise will be fueled by our strong and healthy countrymen. The prestigious half marathon celebrates the spirit of communities coming together for catalyzing social impact. As part of our commitment to creating a malnutrition-free India, our Nand Ghars are working towards impacting the lives of 7 crore children and 2 crore women across the country. To further this mission, we are calling each one to **#RunForZeroHunger - Together we can make it happen.**"
